1. There is a large ex-German airfield in the neighborhood of Krzystkowice (Christianstadt-052/B18), which is 30 km. southwest of Zielona Gora (Gruenberg). This airfield suffered considerable damage and is not in use. The airfield is equipped with underground hangars. 25X1
2. In April 1952 the airfield was examined by a Polish military commission and there were rumors that it would be reconstructed. No work, however, has been done. In the middle of September 1952, a mixed Polish-Soviet military commission made another survey of the airfield.
